How Can I See Buffalo?

This is one of the questions asked by every visitor coming into Buffalo. What are the interesting things to see? How can I see Buffalo quickly, comfortably, and, most important of all, economically?

The Buffalo Sight Seeing Company, operating the Red Cars, and Mr. A. B. Gould operating the Silver Sight Seeing cars, have formed a working partnership and with their luxurious sight seeing cars offer you the best and most satisfactory way to see Buffalo at a small cost, and yet in a thoroughly enjoyable way.

We furnish you herewith our route program, which will enable you to follow the different places called off by our conductors, and will also show you that we never short trip our patrons. Our cars go over the full route every trip, covering a distance of about 14 miles taking about one hour to make the trip.

Special arrangements can be made for calling for passengers at Hotels, Depots and Boat Docks by calling up Frontier Phone 3654 or Bell Tupper 812—evenings or Sundays call 36113.
